

Custom designed for an Investing Group Client

Investing in Leadership Futures

MRC

Turning opportunities into Cornerstones

LEARNING PATH

- Coaching for Business Impact
- Is everyone playing the right role?
- Coaching Future Leaders
- Coaching the Under-Engaged
- Defining Success

Program Overview: Investing in Leadership takes long-term strategy and a diversified approach. In this session we focus on strategies to ensure that every member of the team meets their full potential. Optimizing those at the top of the performance curve, and improving those at the bottom. We also address how to make sure each team member is in a role that will engage them and set them and the organization up for success.

Coaching for Business Impact

Align with Organizational Objectives

“ *Coaching is a professional relationship that helps people produce extraordinary results in their lives, careers, businesses or organizations, helping them to bridge the gap between where they are now and where they want to be.*

- Institute for Life Coaching
